

Camp Onidah packing list

We will be camping for 5 days and 4 nights. Mornings will be chilly and afternoons will be hot. Please pack accordingly. *Clothes should be cotton-based for forging (e.g., jeans, t-shirts), as polyester or synthetic fabrics can melt and cause severe burns.*

Do not bring:

- Screens or tech
- large blades (fixed-blade knives, hatchets, machetes, etc)
- Fireworks
- Firearms
- slingshots or any other kind of projectiles

Clothing:

- **T-shirts:** Pack enough for 5 days, considering they might get dirty or sweaty.
- **Long-sleeve shirts:** Bring a few for cooler mornings or evenings.
- **Pants/shorts:** Have a mix of pants and shorts for different temperatures.
- **Underwear and socks:** Pack enough for each day, plus extras.
- **Sweater/jacket:** Bring a warm layer for chilly mornings or nights.
- **Pajamas:** Comfortable sleepwear for the nights.

Footwear:

- **Sturdy shoes:** Choose comfortable shoes for hiking or walking on uneven terrain.
- **Closed-toe shoes:** Required for blacksmithing.
- **No flip-flops**

Personal Items:

- **Sleeping bag:** Make sure it's suitable for the expected temperatures.
- **Sleeping pad or foam mattress**
- **Pillow:** Bring a camping pillow or use a small pillowcase filled with clothes.
- **Toiletries:** Toothbrush, toothpaste, deodorant, and other personal hygiene items.
- **Lip balm**
- **Sunscreen**
- **Hat**
- **Insect repellent**
- **Medications:** If you take any medications, pack enough for the trip.
- **Flashlight/headlamp**
- **Watch:** (no Smartwatches or other devices that need recharging).

Miscellaneous:

- **Water bottle**
- **MAN PWR and Border Patrol materials**
- **Journal and pens**
- **Scriptures**

Optional:

- **Day pack:** hydro pack or small backpack
- **Rain gear:** poncho, hat, waterproof jacket
- **Sandals:** For use around the campsite (not for activities).
- **Towel and soap:** for showering
- **Free time items:** Frisbee, cards, etc.
- **Knife:** *Small* pocket knife or multi-tool

Remember to check the weather forecast before packing and adjust accordingly. It's always a good idea to pack light and only bring what you really need.
